

If you wish for NARM to send a report of your test scores or certification status to a state licensing agency or to a midwifery school, you must make this request in writing. If you wish for NARM to send this report, now or at any time in the future, please send this form or a similar letter with your signature to the NARM Test Department. You may send it by fax or regular mail. We have the contact information and mailing address for all state licensure agencies, so just identify the state where you want the report sent. If you want results sent to a school, please provide that mailing information. A copy of the letter will also be sent to you, so you will have a record of what information was sent and when it was sent. If your state requires CPM certification, please wait until you get your certificate to send this form.

If your state or school only needs test scores, you may send this form anytime.

Your signature on this letter signifies your permission for NARM to release your test scores to the state agency indicated below.
